ORDER

Upon the application of Counsel for the Plaintiffs in the within action; and upon having heard submissions from Class Counsel in the within matter; and upon noting consent of Counsel for the Defendant The Attorney General for Canada as represented by the Minister of Health for Canada, as well as consent of Class Counsel;

The Court orders as follows:

1. Where a claimant has submitted a claim but has failed to provide sufficient information or documentation for the Administrator to either approve or deny the claim, the Administrator shall send the claimant a "Deficiency Letter" in substantially the form attached to this Order as Schedule A. The Deficiency Letter will set out a deadline by which all of the deficiencies must be cured (the "Deficiency Deadline") of 90 days from the date of the Deficiency Letter. If 90 days from the date of the Deficiency Letter falls on a date that is not a Business Day (as defined in the Settlement Agreement), the Deficiency Deadline will be stipulated as the next succeeding day that is a Business Day.
2. A claimant may, prior to the Deficiency Deadline, request an extension of the claimant's Deficiency Deadline. An extension of a Deficiency Deadline may be granted only with leave of the Court. A request for an extension of a Deficiency Deadline must be submitted to the Administrator in writing using the "Request Form – Deficiency Deadline Extension" attached to this Order as Schedule B. The claimant must set out the steps taken to cure the deficiencies, the reason why the deficiencies have not been cured, and the steps the claimant proposes to take to cure the deficiencies. The Request Form – Deficiency Deadline Extension will be provided by the Administrator to claimants upon request, and will be available on the Administrator's web site.
3. Upon receipt of a Request Form – Deficiency Deadline Extension, the Administrator shall forthwith forward to the Court Monitor a copy of the Form, together with copies of the Deficiency Letter and the claim documentation. The Court Monitor shall provide this material to the appropriate case management judgment for a decision on whether to grant an extension of the Deficiency Deadline and on what terms.
4. If the claimant has not, on or before the Deficiency Deadline, cured all of the deficiencies or submitted a Request Form – Deficiency Deadline Extension, the Administrator shall deny the claim and shall send the claimant a "Rejection Letter" substantially in the form attached to this Order as Schedule C. If a claimant has obtained an extension of the Deficiency Deadline but has failed to cure all of the deficiencies on or before the extended Deficiency Deadline, the Administrator shall deny the claim and shall send the claimant a Rejection Letter. A denial of a claim for failure to cure deficiencies is subject to appeal under the Rules for Appeals.
5. Nothing in this Order shall have the effect of extending any deadline stipulated in the Settlement Agreement, including, without limiting the generality of the foregoing, the deadlines referred to in article 5.01 of the Settlement Agreement.

Justice of the Court of Queen's Bench of Alberta
